Hey Jasmine:

Very, Very tentative FY2025 WW Budget numbers for the City of Victor: 44% of operations = \$263,219; Debt Service = \$205,648 same as prior until Cooper audit is finalized; 44% FY2025 WWTP design expense = \$924,000. Total PRELIM expenses = \$1,392,867

Have a great Memorial Day weekend yourself. Doing anything fun?

Good Afternoon Carol and Carly,

I hope you all have fun plans for the long weekend. Hopefully it will be a little breath of air before budget season is in full swing. I am wondering if you have any prelim budget numbers I can plug in to the sewer fund? If not, do we have an estimated day for those?

Thank you!
